Coles And Woolworths Lettuce Linked To Salmonella Outbreak:

Several brands of pre-packed lettuce mixes sold at Coles and Woolworths have been recalled following a major salmonellosis outbreak in Victoria. Affected products include Coles 4 Leaf Mix, Woolworths salad mix, SupaSalad Supamix and Wash N Toss salad mix.

The Victorian Department of Health has issued a food recall for prepackaged salad mixes found in Coles and Woolworths grocery stores. The affected mixes all come from Victorian company Tripod Farmers. Consumers are warned not to eat batches with a best before date of 14 Feb 2016 or earlier. Some of the products are also sold in other states and countries including Singapore, Hong Kong and Thailand but not in Malaysia
